HB No. 621

**Abstract:** Calls a limited constitutional convention preceded by study by an Evaluation and Drafting Committee to determine if a convention is needed. If the committee determines a convention is needed, provides that its report include a convention plan, including a proposed constitution. Calls convention to convene on Jan. 5, 2015, to be composed of 123 delegates, 105 elected from representative districts and 18 appointed. Requires convention to complete a new constitution by July 15, 2015. Limits convention to changes relative to state and local finance, raising revenue, and allocation and expenditure of funds.

Proposed law states legislative findings that there is a need to address a number of key policy areas that require constitutional change, that the constitution restricts the legislature in effectively addressing state and constituent needs, and that a serious analysis and revision of the state constitution is needed to conduct an examination of the state's critical needs, to consider reform proposals, and to craft provisions that allow legislative solutions.
