HB No. 653

Abstract: Relative to the collection of sales and use tax, provides with respect to the rate and limit on amount of dealer compensation, and authorizes and directs the secretary of the Dept. of Revenue to use all means available to collect use tax which is due upon La. sales by remote sellers.

Present law imposes a 4% state tax upon the sale, use, consumption, storage, or rental of certain tangible personal property and services.

Present law provides that a dealer may deduct and retain an amount equal to 1.1% of taxes collected as compensation for accounting for and remitting the taxes in a timely manner.

Proposed law changes present law by changing the rate of dealer compensation from 1.1% to 1% of taxes collected, and by limiting the amount which may be retained each month to \$100 per dealer.

Proposed law provides that it is the duty of the secretary of the Dept. of Revenue to collect taxes due upon the sale in La. of tangible personal property or services by a remote seller.

Further, proposed law authorizes and directs the secretary to use all means available to ensure the collection of such taxes.

Applicable to taxable transactions occurring on and after July 1, 2013.

Effective if the proposed amendments of the Const. of La. contained in the Joint Resolutions which originated as HB Nos. 434, 435, and 436 of the 2013 R.S. are concurred in by both houses of the legislature and HB Nos 1, 437, 456, 474, 571, 620, and 696 of the 2013 R.S. are enacted into law.

Effective upon signature of governor or lapse of time for gubernatorial action.
