EXPENDITURE EXPLANATION

There is no anticipated direct material effect on governmental expenditures as a result of this measure.

REVENUE EXPLANATION

This measure may not directly affect local government revenues.

According to an official with the East Feliciana Parish Police Jury, this sales and use tax is not being collected, although the capacity to do so currently exists. As such, making the exemption mandatory may not affect local government revenues.

According to an official with the East Feliciana Parish School Board, they have not collected this sales and use tax since 2007. Therefore, they will continue this practice as a result of this measure and there may be no fiscal impact. If the East Feliciana Parish School Board were to collect these taxes, revenues would be \$400,000 to \$500,000 per year.

According to the Louisiana Department of Revenue, the state does not collect any money related to this sales and use tax. Therefore, there should be no effect on state general fund revenues.
