

Regular Session, 2013

SENATE RESOLUTION NO. 167

BY SENATOR CROWE

EDUCATION DEPARTMENT. Requests the Department of Education to establish a group to study the further integration of e-books and implementation of cloud technology in elementary and secondary schools, along with related training and costs.

1 A RESOLUTION

2 To urge and request the Department of Education to establish a study group to investigate
3 the status of e-book integration in elementary and secondary schools and make
4 recommendations to the legislature and the State Board of Elementary and
5 Secondary Education with respect to the replacement of textbooks with e-books,
6 implementation of cloud technology, related training, an expense analysis of the
7 current expenditures related to textbooks, copy paper, printers, and printer ribbons,
8 comparing that to the cost of providing tablets to students with access to e-books and
9 the cloud.

10 WHEREAS, Act No. 659 of the 2010 Regular Session of the Louisiana Legislature
11 provides in part that, "[w]hen exercising its authority to prescribe and adopt free textbooks
12 and other instructional materials for use in the public schools . . . the State Board of
13 Elementary and Secondary Education shall make every effort to ensure that electronic
14 versions are available for every title it approves for placement on the state list of approved
15 textbooks and instructional materials."; and

16 WHEREAS, a more full-scale approach to integration of e-books in the public
17 schools by providing students tablets and access to the cloud may result in a great cost
18 savings to the state; and

1 WHEREAS, a more full-scale approach to integration of e-books in the public
2 schools by providing students tablets and access to the cloud may result in greater
3 convenience to students, teachers, and parents; and

4 WHEREAS, a study is required to determine whether a more full-scale approach to
5 integration of e-books in the public schools by providing students tablets and access to the
6 cloud would actually result in cost savings and convenience to the parties involved.

7 THEREFORE, BE IT RESOLVED that the Senate of the Legislature of Louisiana
8 does hereby urge and request the Department of Education to establish a study group to
9 investigate with respect to the replacement of textbooks with e-books, implementation of
10 cloud technology, related training, an expense analysis of the current expenditures related
11 to textbooks, copy paper, printers, and printer ribbons, comparing that to the cost of
12 providing tablets to students with access to e-books and the cloud.

13 BE IT FURTHER RESOLVED that the Senate recommends that the study group
14 consist of the following members:

- 15 (1) The chair of the Senate Committee on Education or his designee.
- 16 (2) The chair of the House Committee on Education or his designee.
- 17 (3) The state superintendent of education or his designee.
- 18 (4) A representative of the Louisiana Association of Educators who is also a teacher.
- 19 (5) A representative of the Louisiana Teachers Federation who is also a teacher.
- 20 (6) A representative of the Associated Professional Educators of Louisiana who is
21 also a teacher.
- 22 (7) A representative of the Louisiana Association of Principals.
- 23 (8) A representative of the Louisiana Association of School Superintendents.
- 24 (9) A representative of the Louisiana Association of School Librarians.
- 25 (10) A representative of the Louisiana School Board Association.
- 26 (11) An employee of the Department of Education with expertise in information
27 technologies, appointed by the superintendent of education.
- 28 (12) A public school employee with expertise in information technologies, appointed
29 by the president of the Louisiana Association of School Superintendents.

30 BE IT FURTHER RESOLVED that any official action of the study group shall

1 require the affirmative approval of the majority of the quorum present and voting, a majority
2 of the appointed members constituting a quorum.

3 BE IT FURTHER RESOLVED that the members of this study committee shall serve
4 without compensation, except per diem or expenses reimbursement to which they may be
5 individually entitled as members of the constituent organizations.

6 BE IT FURTHER RESOLVED that the Department of Education shall submit a
7 written report of the study group's findings and recommendations to the State Board of
8 Elementary and Secondary Education and the legislature not later than February 1, 2014.

9 BE IT FURTHER RESOLVED that a copy of this Resolution be transmitted to the
10 state superintendent of education.

The original instrument and the following digest, which constitutes no part
of the legislative instrument, were prepared by Alan Miller.

DIGEST

Crowe

SR No. 167

Requests the Department of Education to establish a study group to investigate with respect to the replacement of textbooks with e-books, implementation of cloud technology, related training, an expense analysis of the current expenditures related to textbooks, copy paper, printers, and printer ribbons, comparing that to the cost of providing tablets to students with access to e-books and the cloud.

Recommends that the study group consist of the following members:

- (1) The chair of the Senate Committee on Education or his designee.
- (2) The chair of the House Committee on Education or his designee.
- (3) The state superintendent of education or his designee.
- (4) A representative of the Louisiana Association of Educators who is also a teacher.
- (5) A representative of the Louisiana Teachers Federation who is also a teacher.
- (6) A representative of the Associated Professional Educators of Louisiana who is also a teacher.
- (7) A representative of the Louisiana Association of Principals.
- (8) A representative of the Louisiana Association of School Superintendents.
- (9) A representative of the Louisiana Association of School Librarians.
- (10) A representative of the Louisiana School Board Association.
- (11) An employee of the Department of Education with expertise in information technologies, appointed by the superintendent of education.

- (12) A public school employee with expertise in information technologies, appointed by the president of the Louisiana Association of School Superintendents.

Requires the Department of Education to submit a written report of the study group's findings and recommendations to BESE and the legislature not later than February 1, 2014.
