HB No. 337

**Abstract:** Requires applicants for a state explosives license to possess a valid federal license and provides for the inspection of facilities controlled by persons issued explosives licenses.

Present law provides for the licensing and regulation of any person or business acquiring, selling, possessing, storing, or using or handling explosives.

Present law establishes qualifications and criteria for the issuance of licenses to handle explosives.

Proposed law retains present law and authorizes the Dept. of Public Safety and Corrections to inspect all facilities under the control of an explosives licensee issued pursuant to present law.

Proposed law adds the requirement that to be eligible to obtain a Louisiana-issued explosives license, the applicant must also possess a valid Bureau of Alcohol, Tobacco, and Firearms license.
