HB No. 840

Abstract: Requires a court to transfer all divorce proceedings and incidental matters when a custody or support proceeding incidental to the divorce has been transferred under forum non conveniens.

Present law provides for venue in custody and support proceedings and authorizes a transfer in the discretion of the court for the convenience of the parties and witnesses and in the interest of justice.

Proposed law retains present law and requires a transferring court to transfer all divorce proceedings and incidental matters related to the custody and support proceedings.

(Amends C.C.P. Art. 74.2(E))
