

Regular Session, 2014

SENATE BILL NO. 384

BY SENATOR LAFLEUR

BONDS. Requires issuers of state municipal securities to comply with certain continuing disclosure rules of the United States Securities and Exchange Commission. (8/1/14)

1 AN ACT

2 To enact R.S. 39:1438, relative to Louisiana municipal securities; to require that municipal
3 securities of public entities comply with the continuing disclosure rules of the United
4 States Securities and Exchange Commission; to provide definitions; to provide for
5 recordkeeping and audit procedures associated with continuing disclosure; and to
6 provide for related matters.

7 Be it enacted by the Legislature of Louisiana:

8 Section 1. R.S. 39:1438 is hereby enacted to read as follows:

9 §1438. Issuers of securities; continuing disclosure requirements; audit
10 requirements

11 A. Definitions. For purposes of this Section:

12 (1) "Auditor" means the legislative auditor or any private accounting
13 firm which prepares the annual financial audit of a public entity under rules of
14 the legislative auditor regarding the audit of governmental entities, quasi-
15 governmental entities, or entities otherwise subject to public audit by the
16 legislative auditor.

17 (2) "Continuing disclosure agreement" means any agreement entered

1 into by an obligated person which sets forth the continuing disclosure
2 obligations of such obligated person pursuant to the SEC rule.

3 (3) "EMMA" means the Electronic Municipal Market Access system
4 maintained by the Municipal Securities Rulemaking Board.

5 (4) "Issuer" means any "issuer of municipal securities" as defined in the
6 SEC rule.

7 (5) "Municipal securities" means any securities which are issued by a
8 public entity. As used herein, the term "securities" shall include both taxable
9 and tax-exempt obligations and shall be construed broadly to include bonds,
10 notes, certificates, loans, financing leases, and any other type of financial
11 instrument which would commonly be considered municipal securities.

12 (6) "Obligated person" has the meaning defined in the SEC rule.

13 (7) "Public entity" means the state, its agencies, departments, boards,
14 commissions, parishes, municipalities, school boards, special districts, special
15 authorities, and any other political subdivision or other entity created by any
16 of the foregoing.

17 (8) "SEC rule" means the municipal securities continuing disclosure rule
18 of the United States Securities and Exchange Commission codified as Section
19 240.15c2-12 of Title 17 of the Code of Federal Regulations, together with all
20 corresponding rules, updates, notices, and interpretations of the United States
21 Securities and Exchange Commission and the Municipal Securities Rulemaking
22 Board, as may be amended from time to time.

23 B. Findings and purpose. The legislature recognizes that public entities
24 often act as issuer or obligated persons of municipal securities and therefore are
25 often subject to the SEC rule, which was established in order to provide
26 municipal securities investors with more timely and transparent access to
27 financial and other material information while such securities remain
28 outstanding. The legislature finds that the continuing disclosure requirements
29 of the SEC rule are in the public interest, and now desires to establish

1 procedures to provide for compliance and audit with respect to municipal
2 securities issued in the state.

3 C. Recordkeeping. (1) Every public entity shall continuously maintain:

4 (a) A list of all Louisiana municipal securities for which the public entity
5 is the issuer or an obligated person.

6 (b) A copy of all continuing disclosure agreements to which the public
7 entity is a party.

8 (c) If, pursuant to a continuing disclosure agreement, the public entity
9 is responsible for filing notices of changes in bond ratings, a list of current
10 ratings for such securities, if any.

11 (2) All records required to be kept by a public entity under this Section
12 shall be subject to inspection by the public entity's auditor.

13 D. Audit. As part of its annual financial audit of a public entity, a public
14 entity's auditor shall:

15 (1) Review the public entity's compliance with the recordkeeping
16 requirements of this Section.

17 (2) Review the public entity's filings on EMMA to determine if such
18 filings are in compliance with the continuing disclosure agreements.

19 (3) Provide a report of its findings for each issue of securities in the
20 public entity's annual financial audit.

The original instrument and the following digest, which constitutes no part
of the legislative instrument, were prepared by Martha S. Hess.
