Relative to size and configuration of skimmer nets

Proposed law limits the size of a double skimmer to no larger than a 72 feet opening and a lead line no more than 33 feet. Present law prohibits a person from tying individual skimmer nets to exceed the size limitation for double skimmers. Proposed law retains this prohibition. Present law prohibits the mounting of a skimmer net or butterfly net more than 24 inches from the side of the vessel. Proposed law repeals present law. Further prohibits the use of a double skimmer where the horizontal frame extends more than 20 feet from the gunwale of the vessel. Present law prohibits a person from using sweeper devices, leads, extensions, wings, or other attachments in conjunction with or attached to butterfly nets or skimmer nets. Proposed law retains this prohibition for butterfly nets but repeals it for skimmers.
