Subject: Filing a false lien against a law enforcement or court officer	

CRIME/FELONIES RE INCREASE GF EX See Note Page 1 of 1

Expands the crime of filing a false lien against a law enforcement or court officer to include liens against any clerk of court, deputy clerk of court, and recorder of mortgages

Present law provides for the crime of filing a false lien against a law enforcement or court officer which occurs when a person files any public records, or any private record which is generally available to the public, any false lien or encumbrance against the real or personal property of a law enforcement officer or court officer, as retaliation against the officer for the performance of his official duties, knowing or having reason to know that such lien or encumbrance is false or contains any materially false, fictitious, or fraudulent statement or representation.

Proposed law expands the definition of "court officer" to include any clerk of court, deputy clerk of court, and recorder of mortgages.

EXPENDITURE EXPLANATION

The proposed legislation may result in an indeterminable increase in state general fund expenditures if a defendant is convicted of filing a false lien against a court officer. The exact fiscal impact of the passage of this legislation is indeterminable, since the legislation expands the definition of "court officer" and it is not known how many individuals will be convicted of this crime. However, any offender sentenced to the custody of the Department of Public Safety and Corrections increases expenditures by \$24.39 per day per offender in local facilities. To the extent that offenders are sentenced and housed in state facilities, the cost per day per offender is \$52.51. Currently, the Department of Corrections houses 50% of state offenders at the local level and 50% at the state level.

To the extent an offender serves the maximum 2 years for the proposed crime, the cost in a local facility would be \$17,805 (1 offender x \$24.39 per day x 730 days) and the cost in a state facility would be \$38,332 (1 offender x \$52.51 per day x 730 days).

REVENUE EXPLANATION

There is no anticipated direct material effect on state revenues as a result of this measure. However, any revenue generated through the imposition of fines as a result of conviction would accrue to local government entities.
