HB No. 241

Abstract: Removes the effective date reference from the ballot language for a proposed constitutional amendment that would require two members of the Wildlife and Fisheries Commission to be residents of north La.

Present law proposes a constitutional amendment that would require that two of the at-large members of the Wildlife and Fisheries Commission to be residents of parishes from north of a line created by the northern boundary of the parishes of Beauregard, Allen, Evangeline, Avoyelles, and Pointe Coupee. The ballot language for such proposed constitutional amendment included an effective date that was not included in the provisions of the Act. Proposed law removes the effective date reference from the ballot language.

Effective upon signature of governor or lapse of time for gubernatorial action.

(Amends §3 of Act No. 437 of the 2013 R.S.)
