DIGEST

Brown (SB 281)

Present law requires each authorized insurer and each health maintenance organization licensed to operate in this state to prepare, implement, and maintain an insurance anti-fraud plan for operations in the state.

Proposed law exempts a small company as defined in present law from the requirement to have an anti-fraud plan.

Proposed law provides for technical changes.

Effective August 1, 2014.

(Amends R.S. 22:572.1)
