#### 03-8172 DISTRICT COURTS

Program Description: There are forty-one district courts in Louisiana that have general jurisdiction over all matters within their territorial limits, except in those judicial districts (the 1st, the 19th, and the 24th Judicial Districts) where family and juvenile courts have exclusive jurisdiction over certain types of cases and except in Orleans Parish where there are separate courts exercising civil, criminal, and juvenile jurisdictions, respectively. In certain cases, the forty-one general jurisdiction courts have concurrent jurisdiction with justices of the peace and parish courts. The district courts generally have appellate jurisdiction of criminal cases tried by city, parish, municipal, traffic, and mayors' courts, except in certain cases. The district courts also have appellate jurisdiction over justices of the peace in parishes where no parish courts exist. The Civil District Court of Orleans Parish has jurisdiction of all civil cases in that parish. The Criminal District Court of Orleans Parish has jurisdiction over all criminal cases in the parish. It also has general supervisory jurisdiction over the municipal and traffic courts in Orleans Parish. The Family Court of East Baton Rouge Parish has exclusive jurisdiction of many domestic cases in the parish. The four juvenile courts located in Caddo, East Baton Rouge, Jefferson, and Orleans parishes have exclusive jurisdiction of juvenile cases in their respective parishes.

**Mission Statement:** The mission of the trial courts of Louisiana is to provide access to justice, to meet all responsibilities in a timely and expeditious manner, to provide equality, fairness, and integrity in their proceedings, to maintain judicial independence and accountability, and to reach a fair and just result by adherence to the procedural and substantive law, thereby instilling trust and confidence in the public.

Goal: To establish a more open and accessible system of justice.

**Objective:** To encourage responsible parties to make court facilities safe, accessible, and convenient.
