Sub. Bill For.:

Date: April 1, 2014	4:38 PM	Author: SIMON
Dept./Agy.: Louisiana Department of Insurance, DHH		Analyst: Alan M. Boxberger
Subject: Provides relative to the right to treatment		

HEALTH/MEDICAL TREATMENT OR NO IMPACT See Note Page 1 of 1
Provides relative to the right to treatment for a person with a terminal condition

Proposed law prohibits a health coverage plan from denying coverage for a medically necessary treatment prescribed by a physician and agreed to by a fully informed insured or that person's legal health care proxy based solely on an insured's life expectancy or the fact that the insured is diagnosed with a terminal condition. Proposed law prohibits a health benefit paid directly or indirectly with state funds from denying coverage for medically necessary treatment. Proposed law provides that refusing coverage for medically necessary treatment to be rendered to an insured based solely on the insured's life expectancy or the fact that the insured is diagnosed with a terminal condition shall be a violation of proposed law. Proposed law provides for definitions.

EXPENDITURE EXPLANATION

There is no anticipated direct material effect on governmental expenditures as a result of this measure. The Louisiana Department of Insurance, the Office of Group Benefits and the Department of Health and Hospitals report that the proposed bill, as amended, would not constitute a mandate or any additional coverage requirements. The amended bill will codify generally accepted statements of law contained in current federal law regarding non-discrimination in the administration of health insurance policies. The proposed law as amended would not cause any measurable increase in expenditures by health plans or providers.

REVENUE EXPLANATION

There is no anticipated direct material effect on governmental revenues as a result of this measure.
