Requires analysis and plans for expansions of and contracts for additional housing for individuals in the custody of the Department of Public Safety and Corrections

Proposed law requires that before there is an expansion of a state correctional facility or a contract or other agreement with a local or private correction facility for the housing of individuals in the custody of the Department of Public Safety and Corrections, the secretary of the department shall prepare a detailed analysis reflecting the need for the expansion, as well as a recommended plan to remedy the shortage of housing, hereinafter referred to as "plan". Provides for the criteria and elements to be considered in the analysis and plan. Requires the plan to be submitted to both the House Committee on Administration of Criminal Justice and Senate Committee Judiciary C for approval. If no action is taken by either committee within 90 days of receipt of the plan, the plan shall be deemed approved. Present law authorizes state and local government contracts with private prison contractors for the design, construction, and operation of correctional facilities. Further prohibits any contract that has been approved by the Joint Legislative Committee on the Budget. Proposed law retains present law and requires that any contract by the department reflect the recommended plan approved by the House or Senate Committee, and that any contract submitted for approval by JLCB be accompanied by a copy of the plan.
