## **2014 REGULAR SESSION ACTUARIAL NOTE HB 5**

### **Bill Information:**

#### **Current Law**

Current law states that the board of trustees for the Municipal Employees Retirement System (MERS) consists of eleven members determined in the following manner.

1. Six active and contributing members of MERS with at least 10 or more years of service, elected by system members.
2. One member who is the president of the Louisiana Municipal Association, ex officio.
3. One member who is the chairman of the Senate Retirement Committee, ex officio, or his designee.
4. One member who is the chairman of the House Retirement Committee, ex officio, or his designee.
5. One member who is the commissioner of administration, or his designee.
6. One member who is the state treasurer, or his designee.

#### **Proposed Law**

HB 5 states the board of trustees for MERS is composed in the following manner.

1. Three members elected from the active members of the system each of whom is an elected official elected to office in accordance with the Louisiana Election Code and has at least 10 or more years of service.
2. Three members elected from the active members of the system who are not elected officials elected to office, each of whom has at least 10 or more years of service.
3. One member who is the president of the Louisiana Municipal Association.
4. One member who is the chairman of the Senate Retirement Committee, ex officio, or his designee.
5. One member who is the chairman of the House Retirement Committee, ex officio, or his designee.
6. One member who is the commissioner of administration, or his designee.
7. One member who is the state treasurer, or his designee.

Under HB 5, no participating employer shall have more than two elected trustees serving on the board at the same time.

#### **Implications of the Proposed Changes**

As a result of HB 5 the composition of elected trustees of MERS is established as three elected official trustees and three nonelected official trustees. HB 5 also prohibits more than two trustees from the same municipality from serving on the board at the same time.

### **Cost Analysis:**

#### **Analysis of Actuarial Costs**

##### **Retirement Systems**

There are no actuarial costs associated with HB 5.

##### **Other Post-Employment Benefits**

HB 5 has no effect on actuarial costs associated with post-employment benefits other than pensions.

#### **Analysis of Fiscal Costs**

HB 5 will have no effect on fiscal costs during the five year measurement period.

### **Actuarial Data, Methods and Assumptions**

This actuarial note was prepared using actuarial data, methods, and assumptions as disclosed in the most recent actuarial valuation report approved by PRSAC. These assumptions and methods are in compliance with actuarial standards of practice. This data, methods and assumptions are being used to provide consistency with the actuary for the retirement system who may also be providing testimony to the Senate and House retirement committees.

### **Actuarial Caveat**

There is nothing in HB 5 that will compromise the signing actuary's ability to present an unbiased statement of actuarial opinion.

### **Actuarial Credentials:**

Paul T. Richmond is the Manager of Actuarial Services for the Louisiana Legislative Auditor. He is an Enrolled Actuary, a member of the American Academy of Actuaries, a member of the Society of Actuaries and has met the Qualification Standards of the American Academy of Actuaries necessary to render the actuarial opinion contained herein.
