DIGEST

Broome (SB 57)

Proposed law requires any group, blanket, or association health insurance policy in effect on August 1, 2014, or issued after that date to provide the policyholder with an option to include benefits for the treatment of lymphedema including multilayer compression bandaging systems and custom or standard fit gradient compression garments. Excludes limited benefit health insurance policies or contracts.

Effective August 1, 2014.

(Adds R.S. 22:1025.1)
