SENATE CONCURRENT RESOLUTION NO. 92

BY SENATOR JOHN SMITH

MILITARY AFFAIRS. Expresses support of the U.S. Armed Services Active Duty, Reserve Component and National Guard; recognizes the impact of the military on Louisiana's economy; requests the governor of Louisiana to resource adequately those efforts designed to protect and promote the missions, quality of life and economic viability of Louisiana's military installations and defense communities.

A CONCURRENT RESOLUTION

2	To urge and request the governor of Louisiana to express support of the United States
3	Armed Services Active Duty, Reserve Component and National Guard; to recognize
4	the impact of the military on Louisiana's economy; to resource adequately those
5	efforts designed to protect and promote the missions, quality of life and economic
6	viability of Louisiana's military installation and defense communities.
7	WHEREAS, Moody Analytics' Precis lists the number one, four and five largest
8	employers in Louisiana other than state government as Fort Polk, Barksdale Air Force Base,
9	and the Naval Air Station Joint Reserve Base; and
10	WHEREAS, the 2013 Statewide Military Economic Impact Analysis, commissioned
11	by the Louisiana Department of Economic Development, indicates an annual military
12	economic impact of \$8.7 billion to the Louisiana economy; and
13	WHEREAS, the military economy supports 82,800 jobs throughout Louisiana,
14	representing 4.35% of total state employment, annually contributes \$287.3 million in state
15	and local revenue, and represents 2.20% of Louisiana's gross domestic product; and
16	WHEREAS, the military economy is measurable in every region of Louisiana,
17	having an impact of: \$286 million in the Acadiana region, \$527 million in the Bayou region,
18	\$793 million in the Capital region, \$1.76 billion in Central Louisiana, \$141 million in

1

2	Louisiana, and \$508 million in Southwest Louisiana; and
3	WHEREAS, Barksdale Air Force Base provides an annual impact of \$1.15 billion
4	to the Louisiana economy; and
5	WHEREAS, Fort Polk and the Joint Readiness Training Center provides an annual
6	impact of \$2.17 billion to the Louisiana economy; and
7	WHEREAS, the Naval Air Station Joint Reserve Base-New Orleans, based in Belle
8	Chasse, Louisiana, provides an annual \$573 million impact to the Louisiana economy; and
9	WHEREAS, the Marine Corps Support Facility-New Orleans, home of the Marine
10	Forces Reserve and Marine Forces North Commands, which combined are the largest
11	commands in the United States Marine Corps, provide an annual \$269 million impact to
12	Louisiana's economy; and
13	WHEREAS, the Space and Naval Warfare Systems (SPAWAR) Center Atlantic,
14	Detachment New Orleans, provides an annual impact of \$147 million to Louisiana's
15	economy; and
16	WHEREAS, the Louisiana National Guard provides an annual impact of \$694
17	million to Louisiana's economy; and
18	WHEREAS, the proposed fiscal year 2015 budget for the U.S. Department of
19	Defense will shrink by more than \$75 billion over the next two years and could shrink even
20	more pending full enactment of "Sequestration"; and
21	WHEREAS, the proposed budget calls for reducing the size of the Army to as low
22	as 440,000 active duty soldiers from its current size of 520,000; and
23	WHEREAS, the proposed budget envisions a five percent reduction in the Army
24	National Guard and Army Reserve; and
25	WHEREAS, the Air Force proposes to eliminate the entire A-10 "Warthog" fleet,
26	having begun these cuts originally in 1992, then in 2005, and again in 2012, at Louisiana
27	military installations; and
28	WHEREAS, the fiscal year 2015 budget proposes a round of base closures and
29	realignments to occur in 2017; and
30	WHEREAS, these strategic cuts are applied to the U.S. Armed Forces across the

Northeast Louisiana, \$1.86 billion in Northwest Louisiana, \$2.86 billion in Southeast

1

2	WHEREAS, in 2013, the United States Army's 2020 plan to reduce the force from
3	570,000 to 490,000 personnel threatened to eliminate the 4 th Brigade Combat Team of the
4	10th Mountain Division, the largest brigade at Fort Polk; and
5	WHEREAS, the Army's current Programmatic Environmental Assessment continues
6	to restructure the force to as low as 440,000 soldiers, thereby revisiting the possibility of
7	deep cuts at Fort Folk; and
8	WHEREAS, in 2012, the Air Force initiated cuts to the overall A-10 fleet, resulting
9	in the loss of approximately 500 personnel at Barksdale Air Force Base; and
10	WHEREAS, in 2012, the Air Force proposed to eliminate the 259th Air Traffic
11	Control Squadron of the Louisiana Air National Guard, which provides air traffic control
12	services to both civilian and military aircraft, particularly those in support of training
13	operations at Fort Polk; and
14	WHEREAS, in 2012, the U.S. Navy eliminated the VAW-77 "Night Wolves"
15	squadron of E-2s and its critical drug interdiction mission, resulting in the loss of
16	approximately 150 personnel; and
17	WHEREAS, the U.S. Navy VFA-204 "River Rattlers" squadron of F/A-18s continues
18	to experience persistent underfunding of maintenance requirement, potentially jeopardizing
19	the airworthiness and mission capability of the squadron, and potentially denying U.S. air
20	combat forces ideal adversarial training; and
21	WHEREAS, the U.S. Air Force proposes to eliminate three F-15s from the Louisiana
22	Air National Guard 159th Fighter Wing, which maintains the only Active Duty mission at the
23	Naval Air Station Joint Reserve Base and is among only five Alert Missions in the United
24	States that remain on 24-hour stand by to protect America's perimeter defenses; and
25	WHEREAS, the U.S. Navy Space and Naval Warfare Systems Command
26	(SPAWAR) instituted a rule in 2013 preventing Navy Working Capital Fund enterprises like
27	SPAWAR New Orleans from supporting mission requirements of non-Navy federal
28	programs and clients, including the Veterans Administration; and
29	WHEREAS, force restructure and cuts to Louisiana- based personnel and assets have
30	largely occurred outside the bounds of congressional oversight or in the formal environment

globe and these actions and their predecessors have been felt in Louisiana; and

of an official	Base Realignmer	nt and Closure	Commission	(BRAC): and
or an ornerar	i Dasc Realigninei	n and Closuic	Commission	(DICAC), and

WHEREAS, unchallenged, these threats to operations and assets at Louisiana installations will persist, potentially resulting in loss of personnel, assets, missions and installations; and

WHEREAS, Louisiana's defense communities have struggled financially to meet the challenge of these threats, and in some cases have been incapable of mounting any efforts to challenge these threats.

THEREFORE, BE IT RESOLVED that the Legislature of Louisiana does hereby express its support for the commitment, sacrifice and honor demonstrated by the service personnel of the United States Armed Services Active Duty, Reserve Component, and National Guard.

BE IT FURTHER RESOLVED that the Legislature of Louisiana does hereby recognize the irreplaceable impact of the military on the Louisiana economy and that action to protect Louisiana's defense communities must be swift and sufficient.

BE IT FURTHER RESOLVED that the Legislature of Louisiana does hereby express its support, and likewise urges the governor of Louisiana, to adequately resource those efforts designed to protect and promote the missions, quality of life and economic viability of Louisiana's military installations and defense communities.

BE IT FURTHER RESOLVED that a copy of this Resolution be transmitted to Governor Bobby Jindal.

The original instrument and the following digest, which constitutes no part of the legislative instrument, were prepared by Heyward Jeffers.

DIGEST

John Smith SCR No. 92

Requests the governor to express support of the United States Armed Services Active Duty, Reserve Component and National Guard; to recognize the impact of the military on Louisiana's economy; to urge and request the governor to adequately resource those efforts designed to protect and promote the missions, quality of life and economic viability of Louisiana's military installations and defense communities.
