Provides for the Recovery School District to return certain unused facilities and programs to the original school board under certain circumstances. (gov sig)

The proposed legislation requires the Recovery School District (RSD) to submit a report on the current status of all school facilities transferred to the RSD's jurisdiction to BESE, the school system that originally transferred the facility to the RSD and the House and Senate Education Committees no later than August 1, 2014 and annually thereafter. Provides for the information to be contained in the report, including the operational status of the facility, an assessment of the condition, operator information, and planned status. The bill requires that facilities identified in the report as vacant and useable with no planned or assigned operator be returned to the local school board that originally transferred the facility no later than December 31, 2014 and annually thereafter.

EXPENDITURE EXPLANATION

There is no anticipated direct material effect on governmental expenditures as a result of this measure.

REVENUE EXPLANATION

There is no anticipated direct material effect on governmental revenues as a result of this measure. However, to the extent the report required of the RSD identifies facilities that are identified as vacant and useable and have no planned or assigned operator, facilities will be returned to the school board that originally owned the facility.
