

Regular Session, 2014

HOUSE BILL NO. 909

BY REPRESENTATIVE LEOPOLD

INSURANCE: Provides for the Property Insurance Clarity Act

1 AN ACT

2 To amend and reenact R.S. 44:4.1(B)(11) and to enact R.S. 22:1488, relative to disclosures
3 by homeowners insurers; to require insurers authorized to issue homeowner's
4 policies in Louisiana to provide policy and premium information; to provide for the
5 commissioner of insurance publishing aggregate information on homeowner's
6 policies in force and the direct incurred losses of insurers; to provide for the
7 commissioner of insurance publishing a description of the actuarial model used for
8 homeowner's properties risk and other related data; to provide penalties for
9 noncompliance by insurers; to provide for an exemption from the Public Records
10 Law; and to provide for related matters.

11 Be it enacted by the Legislature of Louisiana:

12 Section 1. R.S. 22:1488 is hereby enacted to read as follows:

13 §1488. Homeowner's insurance clarity; publication of aggregate data; penalties

14 A.(1)(a) Each insurance company authorized to write homeowner's insurance
15 in this state shall annually submit to the commissioner, commencing on or before
16 February 1, 2015, for homeowner's insurance policies, the total amount of direct paid
17 losses reported by peril less all deductibles, the number of policies written, and the
18 direct written premiums for the prior calendar year. The insurance company shall
19 report the computations to the commissioner by zip code and parish. The
20 information received by the commissioner shall be aggregated across all insurance

1 companies collectively and the aggregated totals shall be arranged by zip code and
2 parish.

3 (b) "Homeowner's insurance" as used in this Section shall also include
4 condominium insurance, residential fire insurance, renter's and tenant's insurance,
5 and mobile home and manufactured housing insurance.

6 (c) Creditor-placed homeowner's insurance, condominium association
7 insurance, and commercial insurance are excluded from the requirements of this
8 Section.

9 (2) The commissioner shall compile and publish on the Department of
10 Insurance website by March first annually the aggregated total of the data provided
11 in Paragraph (1) of this Subsection by zip code and parish for the prior calendar year.

12 (3) Each insurance company authorized to write homeowner's insurance in
13 this state shall annually submit to the commissioner, commencing on or before
14 February 1, 2015, computations of the direct paid losses by peril, the number of
15 policies written, and direct written premiums, by zip code and parish, by calendar
16 year for the prior calendar year, for each of the following perils:

17 (a) Fire.

18 (b) Wind and hail.

19 (c) Catastrophe wind and hail per data call by the commissioner.

20 (d) Flood.

21 (e) All other perils.

22 (4) The commissioner shall post a link to the data on the Department of
23 Insurance website in a prominent position on the website's home page.

24 B. The commissioner shall post on the Department of Insurance website a
25 general description of the ratemaking methodology that the commissioner permits
26 insurance companies to use in establishing their homeowner's insurance rates.

27 C.(1) Commencing on February 1, 2015, each insurance company authorized
28 to write homeowner's insurance in this state shall provide the information required
29 under Subsection A of this Section, commencing with the 2004 calendar year.

1 Voluntary submissions of the information required by Subsection A of this Section
2 for calendar years prior to 2004 may be submitted and shall be compiled and posted
3 by the commissioner in the same manner.

4 (2) The commissioner shall compile the aggregated totals for each calendar
5 year submitted and publish the aggregated totals on the Department of Insurance
6 website pursuant to Paragraph (A)(2) of this Section.

7 D.(1) Upon written request of an insurance company, the commissioner may
8 modify or extend for an additional time period, for good cause shown, the reporting
9 requirements of this Section. Any modifications or extensions granted by the
10 commissioner shall be noted on the Department of Insurance website, along with a
11 projected date of compliance. Good cause may include but is not limited to either
12 of the following:

13 (a) The insurance company's limited percentage of the total homeowner's
14 insurance market in this state.

15 (b) The undue burden of compiling and reporting computation, data, and
16 other information required by this Section due to the manner, format, or method in
17 which the insurance company has stored the computations, data, or other information
18 required.

19 (2) Any insurance company that fails to timely comply with the reporting
20 requirements of this Section shall be given notice by the commissioner of the failure
21 and provided thirty days to comply. Any insurance company that fails to comply on
22 or before the thirtieth day, unless modified or extended by the commissioner, shall
23 be fined ten thousand dollars per month by the commissioner until the date of
24 compliance. Any funds collected pursuant to this Paragraph shall be deposited into
25 the state general fund. These fines shall not be waived or reduced except by an act
26 of the legislature.

27 (3) The commissioner shall waive or modify the reporting requirements of
28 this Section if an insurance company meets any of the following criteria:

29 (a) Does not store the computations, data, or other information required.

Leopold

HB No. 909

Abstract: Requires homeowner's insurers to provide data on direct incurred losses, number of policies in force, and direct earned premiums to the commissioner of insurance to aggregate and publish on the Dept. of Insurance website.

Proposed law requires that insurance companies writing homeowner's policies annually submit to the commissioner data on their total direct incurred losses, number of policies in force, and direct earned premiums by zip code and parish for the prior calendar year. Further requires that the same data be submitted dating back to the calendar year 2004.

Proposed law requires the commissioner to aggregate the data and publish aggregated yearly totals by zip code and parish on the Dept. of Insurance website.

Proposed law also requires the commissioner to publish on the department's website a general description of the ratemaking methodology insurance companies are allowed to use in establishing homeowner's insurance rates.

Proposed law provides that the commissioner may issue exemptions from the reporting requirements to companies that do not store the requested information, or if meeting the requirements would impose an undue burden.

Proposed law provides a penalty of \$10,000 per month for any company that fails to timely comply with the reporting requirements, and further provides that the reports submitted must be notarized and executed by an executive of the company attesting to the validity of the data reported.

Proposed law provides that the commissioner may issue rules and regulations to implement this Section.

Proposed law provides that the data provided by each insurer is confidential and exempt from the Public Records Law.

(Amends R.S. 44:4.1(B)(11); Adds R.S. 22:1488)
