14 there are less than three, offerers who submit written proposals. Such proposals shall  
15 be solicited by advertising as in R.S. 39:1594(C).

16 (2) If it is determined by the commissioner of administration or his designee,  
17 after the evaluation of these proposals and discussions with the current lessor, that to  
18 renew the present lease would be in the best interest of the state, the renewal of an  
19 existing lease may be renegotiated or the commissioner may enter into a lease with  
20 one of these ~~offerers~~ **proposers** if determined to be in the state's best interest. In  
21 making such a determination the commissioner, or his designee, shall take into  
22 consideration, over the duration of the lease, rental rates, the amount of funds

4 of the office or warehouse space utilized under the existing leases. The renegotiated  
5 lease shall not extend beyond the termination date of the latest existing lease, nor shall  
6 the price per square foot paid under the new lease result in a total payment in excess  
7 of the total of the combined payments under the preexisting leases.

8 D. In the event alterations or modifications of space currently under lease are  
9 required to meet changed operating requirements, a lease may be amended. Such lease  
10 amendment may, with approval of the division of administration, provide an  
11 adjustment in monthly lease payments not to exceed twenty-five percent of the  
12 original annual lease price per square foot, sufficient to reimburse the lessor for  
13 paying for the leasehold improvements; provided, however, that any adjustment in  
14 monthly lease payments shall also require the approval of the Joint Legislative  
15 Committee on the Budget and the continuance of an adjustment in excess of the  
16 current lease shall be further contingent on the appropriation of funds therefor in the  
17 following fiscal year.

18 E. A lease may be amended, with approval of the division of administration,

11 §1732. Definitions of terms used in this Part

12 As used in this Part, the following words and phrases shall have the meaning  
13 ascribed to them in this Section, except as otherwise may be provided or unless a  
14 different meaning is plainly required by the context:

15 (1) "Small business" means a small business as defined by the Small Business  
16 Administration of the United States Government which for purposes of size eligibility  
17 or other factors meets the applicable criteria set forth in 13 Code of Federal

19 Louisiana.

20 (2) "Dominant in its field of operation" means exercising a controlling or  
21 major influence in a business activity in which a number of businesses are engaged.  
22 In determining if a business is dominant, the following criteria, among others, shall

24 competitive status or position; ownership or control of materials, processes, patents,  
25 license agreements, and facilities; sales territory; and nature of business activity.

2 been deprived of the opportunity to develop and maintain a competitive position in

11 ownership of the woman or women shall not be diminished because she is part of a  
12 community property regime.

13 (6) "Services" means the furnishing of labor, time, or effort by a contractor,  
14 not involving the delivery of a specific end product other than reports which are  
15 merely incidental to the required performance. This term shall include those services  
16 covered by this Chapter ~~16 of Title 39 of the Louisiana Revised Statutes of 1950~~ and  
17 services performed by an architect, engineer, or landscape architect as provided by

24 of goods and services excluding construction. The commissioner shall divide the  
25 procurements so designated into contract award units of economically feasible  
26 production runs in order to facilitate offers or bids from small businesses. In making  
27 his annual designation of ~~set aside~~ **set-aside** procurements the commissioner shall  
28 attempt to vary the included procurements so that a variety of goods and services  
29 produced by different small businesses shall be set aside each year. The failure of the

1 commissioner to set aside particular procurements shall not be deemed to prohibit or  
2 discourage small businesses from seeking the procurement award through the normal  
3 solicitation and bidding processes.

4 B. Contract procedure. The commissioner shall establish a contract procedure  
5 in accordance with law, for the awarding of a procurement contract under the ~~set aside~~  
6 **set-aside** program established in this Part. Surety bonds guaranteed by the federal

12 determination shall include consideration of production and financial capacity and  
13 technical competence.

14 D. Preference to disadvantaged persons. At least ten percent of the value of  
15 the procurements designated for ~~set aside~~ **set-aside** awards shall be awarded, if  
16 possible to businesses owned and operated by socially or economically disadvantaged

23 owned and operated by women. In the event small businesses owned and operated  
24 by women are unable to perform at least ten percent of the ~~set aside~~ **set-aside** awards,  
25 then the commissioner shall award the balance of the ~~set aside~~ **set-aside** contracts to  
26 other small businesses.

27 F. Award of contracts after unsuccessful ~~set aside~~ **set-aside** procedures. In  
28 the event that the provisions of this Part do not operate to extend a contract award to  
29 a small business, the award shall be placed pursuant to the existing solicitation and

1 award provisions established by law. The commissioner shall thereupon designate  
2 and set aside for small businesses additional state procurements corresponding in  
3 approximate value to the contract unable to be awarded pursuant to the provisions of  
4 this Part.

5 G. Conflict with other code provisions. All laws and rules pertaining to  
6 solicitations, bid evaluations, contract awards, and other procurement matters shall  
7 apply as consistent to procurements set aside for small businesses. In the event of  
8 conflict with other rules, the provisions of this Part shall govern.

10 The commissioner of administration and the executive director of the  
11 Louisiana division of minority and women's business enterprise in the Department of  
12 Economic Development shall publicize the provisions of the set-aside program,  
13 attempt to locate small businesses able to perform set-aside procurement awards, and  
14 encourage participation. When the commissioner of administration determines that  
15 a small business is unable to perform under a set-aside contract, he shall so inform the  
16 secretary of economic development, who shall assist the small business in attempting  
17 to remedy the causes of the inability to perform a set-aside award. In assisting the  
18 small business, the executive director of the Louisiana division of minority and  
19 women's business enterprise, in cooperation with the commissioner of administration,  
20 shall use any management or financial assistance programs that may be available by

22 other state or governmental agencies.

23 §1735. Determination of disadvantaged

24 The commissioner of administration shall promulgate regulations, rules,  
25 standards, and procedures for certifying that small businesses and small businesses
