## DIGEST

Allain (SB 469)

Present law creates a coastal zone management program in the Dept. of Natural Resources. Provides generally for the development of a state program aimed at protecting, developing, and managing the coastal zone of the state. The program defines the coastal zone and delineates the types of uses approved for the coastal zone. Further provides for the development of state and local coastal management plans.

Coastal use permits issued by the DNR are used to control the development and activities in the coastal zone. Present law provides for enforcement of the coastal use permits (CUP) and the activities permitted under the CUPs.

Present law specifies that the secretary, the attorney general, an appropriate district attorney, or a local government may bring injunctive, declaratory, or other actions to ensure that only permitted activities may be conducted in the coastal zone. Proposed law specifies that the secretary through the attorney general and a local governmental subdivision may bring such actions.

Proposed law changes "an appropriate district attorney" to "a district attorney for a local government without an approved program".

Proposed law provides that except as provided in present law, no state or local governmental entity may have, nor may pursue, any right or cause of action arising from any activity subject to permitting under present law or certain federal statutes in the coastal area, or arising from or related to any use as defined by present law, regardless of the date such use or activity occurred.

Proposed law requires any monies received by any state or local governmental entity arising from or related to a certain state or federal permit, a violation thereof, or enforcement thereof, or for damages or other relief arising from or related to any of the foregoing, or for damages or other relief arising from or related to any use as defined by present law be used for integrated coastal protection, including coastal restoration, hurricane protection and improving the resiliency of the coastal area.

Proposed law provides that nothing in the present law and proposed law will constitute a waiver of sovereign immunity under the 11th Amendment of the United States Constitution.

Proposed law provides that nothing in the present law and proposed law will prevent or preclude any person or any state or local governmental entity from enforcing contractual rights or from pursuing any administrative remedy otherwise authorized by law arising from or related to certain state or federal permit issued in the coastal area.

Proposed law provides that nothing in proposed law will alter the rights of any governmental entity for claims related to 16th school lands.

Effective upon signature by governor or lapse of time for gubernatorial action.
