

1 employees believe these issues are better addressed at the local level and they are taking  
2 steps to do so; and

3 WHEREAS, legislation proposed this session and in prior sessions has demonstrated  
4 that there is a need for the legislature to seek solutions to major concerns of local school  
5 systems, but to do so after examining these concerns in detail and after receiving extensive  
6 information about these matters from large school systems in the state, together with the  
7 recommendations of national experts and suggestions and recommendations from educators  
8 in the state.

9 THEREFORE, BE IT RESOLVED that the House of Representatives of the  
10 Legislature of Louisiana does hereby request the House Committee on Education to study  
11 the issues raised by legislation proposed during this 2014 Regular Session of the Legislature  
12 and prior sessions relative to school systems that serve more than fifteen thousand public  
13 school students and to report study findings and recommendations to the House of  
14 Representatives not later than sixty days prior to the convening of the 2015 Regular Session  
15 of the Legislature.

16 BE IT FURTHER RESOLVED that a copy of this Resolution be transmitted to  
17 Representative Steve Carter, chairman of the House Committee on Education.

Barrow

HR No. 123

Requests that the House Committee on Education study issues raised by legislation proposed during the 2014 R.S. and prior sessions relative to school systems that serve more than 15,000 public school students and report study findings and recommendations to the House of Representatives not later than 60 days prior to the 2015 R.S.

#### Summary of Amendments Adopted by House

Committee Amendments Proposed by House Committee on Education to the original resolution.

1. Broadens application of study to issues relative to certain large school systems rather than limiting it to issues relative to E. Baton Rouge Parish school system.
