Sub. Bill For.:

Dept./Agy.: Office of Student Financial Assistance		Analyst: Charley Rome
Subject: Changes TOPS High School Core Curriculum Requirements		

STUDENT/LOANS-SCHOLARSHIP RE NO IMPACT GF EX See Note Page 1 of 1

Provides relative to high school core curriculum requirements with respect to the Taylor Opportunity Program for Students (TOPS)

Proposed law authorizes the State Board of Elementary and Secondary Education (BESE) to designate course equivalencies for Civics in order to ensure the alignment of graduation requirements with the Taylor Opportunity Program for Students (TOPS) core curriculum requirements for social studies. Current law requires four units of social studies to meet TOPS core curriculum requirements including the following: one unit of U. S. History, one-half unit of Government/Politics, one-half unit Economics, one unit of Civics that may be substituted for Government/Politics or Economics, and two units of History or International Baccalaureate (IB) Economics. Proposed law combines the current requirements of one-half unit of Government/Politics and one-half unit Economics into one unit of Government/Politics or Economics. As such, the proposed law would allow high school students to obtain four social studies units to meet their TOPS core curriculum requirements without completing any units in Government/Politics or Civics.
