9 AMENDMENT NO. 5

10 On page 1, line 14 delete "\* \* \*" and insert

11           (1) The financial impact and reach diabetes of all types is having on the state  
 12 of Louisiana and its residents. Items in this assessment shall include the number of  
 13 lives with diabetes covered by Medicaid through the Department of Health and  
 14 Hospitals and its contracted partners, the number of lives with diabetes impacted by  
 15 the prevention and diabetes control programs implemented by the department and  
 16 its contracted partners, the financial cost diabetes and its complications places on the  
 17 department and its contracted partners, and the financial cost diabetes and its  
 18 complications places on the department and its contracted partners in comparison to  
 19 other chronic diseases and conditions.

20           (2) An assessment of the benefits of implemented programs and activities  
 21 aimed at controlling diabetes and preventing the disease.

22           (3) A description of the level of coordination existing between the  
 23 Department of Health and Hospitals, its contracted partners, and other stakeholders  
 24 on activities, programmatic activities, and the level of communication on managing,  
 25 treating, or preventing all forms of diabetes and its complications.

26           (4) The development of a detailed action plan for battling diabetes with a  
 27 range of actionable items. The plan shall identify proposed action steps to reduce the  
 28 impact of diabetes, prediabetes, and related diabetes complications. The plan shall  
 29 identify expected outcomes of the action steps proposed while establishing  
 30 benchmarks for controlling and preventing diabetes.

31           (5) The development of a detailed budget blueprint identifying needs, costs,  
 32 and resources to implement the plan identified in Paragraph (4) of this ~~Section~~  
 33 Subsection."
