Digest of Bill as Finally Passed by Senate

Urges and requests the legislative auditor to conduct an audit of the La. State Racing Commission and its regulatory efforts with respect to horse racing facilities and offtrack wagering facilities throughout the state to determine whether the commission is ensuring compliance by those facilities with the health, safety, and welfare standards required by law and administrative rule.

Further urges and requests the legislative auditor to determine whether the commission is enforcing compliance with respect to the amount of resources offtrack pari-mutuel wagering facilities or horse racing facilities throughout the state are allocating to the efficient and safe conducting of horse racing versus the operation of slot machines and video draw poker devices.

Requires the legislative auditor to report its findings to the legislature at least 30 days prior to the 2015 R.S.
