SENATE BILL NO. 522

BY SENATOR WARD

26

1	AN ACT
2	To amend and reenact R.S. 39:1484(A)(4)(b) and 1540, relative to consulting service
3	contracts; to authorize the office of risk management to enter into consulting service
4	contracts with one or more licensed insurance producers; to provide for the definition
5	of consulting services; to provide for approvals of such contracts; and to provide for
6	related matters.
7	Be it enacted by the Legislature of Louisiana:
8	Section 1. R.S. 39:1484(A)(4)(b) and 1540 are hereby amended and reenacted to
9	read as follows:
10	§1484. Definitions and objectives
11	A. When used in this Chapter, the words defined in this Section shall have

17	(b) The term "consulting service" includes the procurement of supplies and
18	services by a contractor without the necessity of complying with provisions of the
19	Louisiana Procurement Code when such supplies and services are either for
20	insurance procured directly by a licensed insurance producer pursuant to R.S.
21	39:1540(B), or are merely ancillary to the provision of consulting services under a
22	contingency fee arrangement, even though the procurement of such supplies or
23	services directly by a governmental body would require compliance with the
24	Louisiana Procurement Code. Supplies or services ancillary to the provision of
25	consulting services are those supplies or services which assist the contractor in

fulfilling the objective of his contract when the cost for such supplies and services

is less than the	cost of providing	consulting	services,	as determined	by the	using
agency.

§1540. Competition

A. Every contract entered into by the state for the purchase of insurance or for obtaining services relating to the operation of the insurance program shall be awarded by either competitive sealed bidding or competitive negotiation. Competitive negotiation shall be initiated by the issuance of a request for proposals containing a description of the coverage required and the factors to be used in evaluating the proposals. Where there is more than one offeror, written or oral discussions shall be conducted with at least the three, or two if there are only two, highest qualified offerors who submit proposals determined in writing to be reasonably susceptible of being selected for award. The contract shall be awarded with reasonable promptness by written notice to the responsible offeror whose proposal meets the requirements and criteria set forth in the request for proposals and whose proposal is most beneficial to the state, considering the price and the evaluation factors set forth in the request for proposal. Public notice of the request for proposals shall be provided in the same manner as established in Part V of Chapter 1 of Title 39 of the Louisiana Revised Statutes R.S. 39:1551, et seq.

B.(1) The office of risk management, under the direction of the commissioner of administration, is authorized to contract for consulting services with one or more licensed insurance producers upon a finding by the commissioner that the contract is in the best interest of the state. The contract authorized pursuant to the provisions of this Subsection may authorize one or more producers to advise the office of risk management regarding the office's insurance programs and to directly procure insurance.

(2) No contract executed for consulting services under the provisions of this Subsection shall be effective until it has been approved by the Joint Legislative Committee on the Budget.

(3) The division of administration shall provide a financial analysis and

1	shall report annually on contracts and lines of insurance coverage secured				
2	under this Subsection to the Joint Legislative Committee on the Budget.				
3	Additionally, the commissioner of administration shall report to the Joint				
4	Legislative Committee on the Budget any contract award and all associated				
5	proposals received for consulting services under these provisions in response to				
5	each request for proposals.
