DIGEST OF THE SENATE BILL AS RETURNED TO THE SENATE

Morrell

SB No. 294

Present law provides for minimum standards which apply while certain law enforcement officers and police employees are under administrative investigation.

Present law requires the superintendent of state police or the chief of police or his authorized representative to initiate an investigation when a formal and written complaint is made against any police employee or law enforcement officer.

Proposed law removes the requirement that the administrative complaint be in writing.

Effective August 1, 2014.
