SB No. 303

Present law (R.S. 42:1121(A)(2) - Code of Governmental Ethics) prohibits a former member of a board or commission for a period of two years following the termination of his public service on such board or commission from contracting with, being employed in any capacity by, or being appointed to any position by that board or commission.

Proposed law provides that present law shall not preclude the employment of a person by a board that is created by law when the person has served as a member of the board as a designee, as authorized by law, of a mayor, but is not subject to confirmation nor confirmed by the council, of a municipality with a population of 300,000 or more according to the latest federal decennial census.

Effective upon signature of the governor or lapse of time for gubernatorial action.
