

Prior law provided relative to city courts in general that, in all criminal matters, in addition to the fine or other penalty which may be legally imposed against every defendant who is convicted after trial or after a plea of guilty or who forfeits his bond, the judge may assess costs of court in an amount not to exceed \$30. Prior law provided that the proceeds derived from those \$30 assessments shall be placed in a special account to be used for the operational expenses of the court, or for payment of clerical fees or for other similar expenses as may be approved by the judge.

Prior law further provided that, when the office of the marshal has derived \$100,000 or more in revenues for the year 2004 from the proceeds of those \$30 assessments, then in addition to those assessments, in all criminal matters the city judge shall assess \$15 as additional court costs. When the office of the marshal has derived less than \$100,000 in revenues for the year 2004 from the proceeds of those \$30 assessments, then in addition to those \$30 assessments, the city judge shall assess \$30 as additional court costs. Prior law provided that the proceeds from these additional assessments shall be deposited in a special account, separate and distinct from the \$30 assessments placed into an account for the operational expenses of the court or clerical fees, and these additional assessments shall be used to defray operational expenses of the office of marshal or constable of the court, or for purchase of law enforcement equipment, and all as may be proved by the marshal or constable.

Prior law further provided that the city judges of any and all parishes and the mayor's court in the town of Many in Sabine Parish shall be authorized to assess such assessments.

Prior law further provided that assessments in particular courts are governed by certain limitations, including that the additional costs provided for in prior law (i.e. the extra \$15 or \$30 assessment allowed to be assessed by the city court judge to provide for the expenses of the marshal or constable's office) shall not exceed \$30 in the City Court of Houma, the City Court of Ruston, the City Court of Minden, the City Court of Springhill, the City Court of Hammond, the City Court of Bastrop, the City Court of West Monroe, the City Court of Monroe, the City Court of Denham Springs, and the City Court of Alexandria.

New law retains prior law and adds that the additional costs provided for in prior law shall not exceed \$30 in the City Court of Lafayette.

Effective August 1, 2014.
