

Directs the legislative auditor to conduct a performance audit of the Louisiana State Racing Commission and the Louisiana Gaming Control Board and their regulatory efforts with respect to horse racing facilities and offtrack wagering facilities located in the parishes of Orleans and Jefferson: (1) to determine whether the commission is ensuring compliance by those facilities with the health, safety, and welfare standards required by law and administrative rule, and (2) to determine whether the commission and the board are enforcing compliance with respect to the amount of resources any offtrack pari-mutuel wagering facility or horse racing facility located in the parishes of Orleans and Jefferson is allocating to the efficient and safe conducting of horse racing versus the operation of slot machines and the operation of video draw poker devices.

Requires the legislative auditor to report its findings to the House of Representatives at least 30 days prior to the 2015 R.S.
