

Prior law terminated the authority to levy additional costs and charges if public bids were not let for the construction of the new facility (Civil District Court for the parish of Orleans) by Aug. 15, 2014.

New law retains prior law but extends the termination date from Aug. 15, 2014, to Aug. 15, 2015.

Existing law provides for all funds collected and deposited in the separate account to be used solely for capital improvements to the facility currently housing the Civil District Court for the parish of Orleans.

New law retains existing law.

Effective Aug. 1, 2014.
