2015 Regular Session

Abstract: Expands the crime of unauthorized entry of a critical infrastructure.

Present law provides for the crime of unauthorized entry of a critical infrastructure and defines the crime as unauthorized entry into a critical infrastructure by a person without authority to do so.

Proposed law retains present law and adds three additional elements to the crime:

- (1) The use or attempted use of fraudulent documents to enter a critical infrastructure.
- (2) Remaining upon or in the premises of a critical infrastructure after having been forbidden to do so.
- (3) The entry into a restricted area of the critical infrastructure which is marked as a restricted or limited access area when the person is not authorized to enter that area.
