DIGEST 2015 Regular Session

Mills

<u>Present law</u> provides a physician licensed to practice medicine in this state and who is also registered to prescribe Schedule I substances with the Drug Enforcement Administration (DEA) may prescribe marijuana, tetrahydrocannabinols, or a chemical derivative of tetrahydrocannabinols for therapeutic use by patients clinically diagnosed as suffering from glaucoma, symptoms resulting from the administration of chemotherapy cancer treatment, and spastic quadriplegia in accordance with rules and regulations promulgated by the secretary of health and hospitals and in accordance with FDA (Food and Drug Administration) and DEA administrative guidelines for procurement of the controlled substance from the National Institute on Drug Abuse.

<u>Proposed law</u> amends <u>present law</u> as a physician licensed to practice medicine in this state and who is also registered to prescribe Schedule I substances with the DEA may prescribe marijuana, tetrahydrocannabinols, or a chemical derivative of tetrahydrocannabinols in any form except for inhalation for therapeutic use by patients and <u>proposed law</u> removes the specifically listed medical conditions and replaces the list with "a medically recognized disease or condition".

<u>Present law</u> provides the secretary of health and hospitals, by January 1, 1992, shall promulgate rules and regulations authorizing physicians licensed to practice in this state to prescribe marijuana for therapeutic use by patients as described in <u>present law</u>.

<u>Proposed law</u> amends <u>present law</u> by removing the secretary of health and hospitals as the party promulgating the rules and regulations and placing the responsibility of promulgating the rules and regulations with the Louisiana State Board of Medical Examiners (LSBME). <u>Proposed law</u> gives LSBME until January 1, 2016, to promulgate the rules and regulations.

<u>Proposed law</u> provides the Louisiana Board of Pharmacy (LBP) shall adopt rules relating to the production and dispensing of prescribed marijuana for therapeutic use no later than December 1, 2016, and LBP shall seek input from groups including but not limited to the following:

- (1) The Louisiana District Attorneys Association.
- (2) The Louisiana Sheriffs' Association.

SB 143 Original

- (3) The Louisiana Commission of Law Enforcement and the Administration of Criminal Justice.
- (4) The Department of Agriculture and Forestry.

Proposed law provides the rules shall include but not be limited to:

- (1) Standards, procedures, and protocols for the effective use of prescribed marijuana for therapeutic use as authorized by state law and related rules and regulations.
- (2) Standards, procedures, and protocols for the dispensing of prescribed therapeutic marijuana in Louisiana.
- (3) Procedures and protocols to provide that no prescribed therapeutic marijuana may be dispensed from, produced from, obtained from, sold to, or transferred to a location outside of this state.
- (4) The establishment of standards, procedures, and protocols for determining the amount of usable prescribed therapeutic marijuana that is necessary to constitute an adequate supply to ensure uninterrupted availability for a period of one month, including amounts for topical treatments.
- (5) The establishment of standards, procedures, and protocols to ensure that all prescribed therapeutic marijuana produced and distributed is consistently pharmaceutical grade.
- (6) The establishment of standards and procedures for the revocation, suspension, and nonrenewal of licenses.
- (7) The establishment of other licensing, renewal, and operational standards which are deemed necessary by the LBP.
- (8) The establishment of standards and procedures for testing prescribed therapeutic marijuana samples for levels of tetrahydrocannabinol (THC) or other testing parameters deemed appropriate by the board.
- (9) The establishment of health, safety, and security requirements for producers of prescribed therapeutic marijuana.
- (10) Create licenses for producers and dispensers of prescribed therapeutic marijuana.

<u>Proposed law provides LBP</u> may contract with the Department of Agriculture and Forestry regarding the enforcement of any rules and regulations regarding production of prescribed therapeutic marijuana.

<u>Proposed law</u> provides LBP shall submit a report to the legislature no later than January 1, 2016, with recommendations on possible fee amounts to provide for the provisions of the <u>proposed law</u>.

<u>Proposed law</u> provides the all rules and regulations promulgated pursuant to <u>proposed law</u> shall be adopted in accordance with the provisions of the Administrative Procedure Act.

<u>Proposed law</u> provides nothing in the <u>proposed law</u> shall be construed to prohibit LSBME or LBP from adopting emergency rules as otherwise provided for in the Administrative Procedure Act.

Effective upon signature of the governor or lapse of time for gubernatorial action.
