Upon voter approval of this planned development as provided herein, the city may also construct, acquire, extend, or improve facilities such as marinas, motels, hotels, restaurants, residential housing, commercial office space and boating facilities and provide roads, sewer, water and other utilities to facilitate such plan for commercial or residential use. Nothing in this Paragraph shall in any way supersede the sole authority and responsibility of the Louisiana Gaming Control Board relative to gaming as specified in R.S. 27:15.

(2) The governing authority of the city of Lake Charles is authorized to call a special election in accordance with law to submit the question of commercial and residential usage of the areas described in this Section to those electors qualified to vote. If a majority of the qualified electors of the municipality voting thereon approve the commercial or residential usage of all or any portion of the areas described in this Section, the city shall have the full and exclusive right, jurisdiction, power, and authority to conduct and effectuate development in those areas for residential, commercial and profit-oriented purposes. Nothing in this Subsection shall affect any law regarding the requirement for or the conduct of any election regarding the conduct of any form of gaming.

The procedure and authority for the lease of property with or without public bid set forth in R.S. 33:4717.2 shall apply to the disposition of this property.
