SUNSET OF TAX CREDITS IN PRESENT LAW

Present law (R.S. 47:34) provides for an income tax credit to be used against the tax liability of corporate income taxpayers who generate new full-time and part-time jobs in the state. This tax credit is allowed in lieu of any tax exemptions granted pursuant to the La. Enterprise Zone Act, any ad valorem property tax exemptions for business or industry, or any ad valorem tax exemption allowed through the State Board of Commerce and Industry pursuant to present constitution. The credit is equal to the number of new employees multiplied by varying amounts.

Present law (R.S. 47:35) provides for an income tax credit against the state corporate income tax liability for any business firm engaged in certain activities of providing neighborhood assistance, job training, education for individuals, community services, or crime prevention in the state. Present law requires the business firm to submit a proposal with certain information relative to the project for approval by the commissioner of administration. A tax credit of up to 70% of the actual amount contributed is authorized, but the tax credit for any corporation shall not exceed \$250,000 annually.

Present law (R.S. 47:37) provides for an income tax credit against a taxpayer's tax liability for contributions, donations, or selling below cost tangible movable property to a public educational institution for the purposes of research, research training, or direct education of students in the state.

The credit allowed is 40% of the property's value, or in the case of sale below cost, 40% of the difference between the price received and the value of the property.

Present law (R.S. 47:227) provides for an offset for every insurance company against any tax incurred for taxes on premiums.

Present law (R.S. 47:265 and 287.664) provides for an income tax credit for utility companies against La. income tax for amounts the utility company may have refunded to a customer pursuant to an order of the court or regulatory agency as a result of the denial of a proposed rate increase. The credit may be taken in lieu of a deduction from gross income if the deduction results in a net loss. The credit is equal to the amount of the income tax increase had the amounts refunded been included in the gross income.

Present law (R.S. 47:287.748) provides for an income tax credit against the corporate income tax liability for taxpayers who employ an eligible Intensive Incarceration Program re-entrant. The credit allowed is \$150 per eligible re-entrant employed, but shall not exceed 50% of the corporate income tax.

Present law (R.S. 287.749) provides for an income tax credit to be used against the tax liability of corporate income taxpayers who generate new full-time and part-time jobs in the state. This tax credit is allowed in lieu of any tax exemptions granted pursuant to the La. Enterprise Zone Act, any ad valorem property tax exemptions for business or industry, or any ad valorem tax exemption allowed through the State Board of Commerce and Industry pursuant to La. Const. Art. VII, Sec. 21(F). The credit is equal to the number of new employees multiplied by varying amounts.

Present law (R.S. 47:287.752) provides for an income tax credit for each taxpayer who provides full-time employment to an individual who has been convicted of a first-time nonviolent offense. Requires certification by the employee's probation officer that the employee has successfully completed a drug treatment program, or any other court-ordered program, and that the employee has worked one hundred eighty days full-time for the employer seeking the credit. The credit allowed is \$200 per eligible employee per taxable year.

Present law (R.S. 47:287.753) provides for an income tax credit against the state corporate income tax liability for any business firm engaged in certain activities of providing neighborhood assistance, job training, education for individuals, community services, or crime prevention in the state. Present law requires the business firm to submit a proposal with certain information relative to the project for approval by the commissioner of administration. A tax credit of up to 70% of the actual amount contributed is authorized, but the tax credit for any corporation shall not exceed \$250,000 annually.

Present law (R.S. 47:287.755) provides for an income tax credit against a taxpayer's tax liability for contributions, donations, or selling below cost tangible movable property to a public educational institution for the purposes of research, research training, or direct education of students in the state. The credit allowed is computed at the rate of 40% of the property's value, or in the case of sale below cost, 40% of the difference between the price received and the value of the property.
