

1 WHEREAS, liquefied natural gas exports will create tens of thousands of
2 construction and operations jobs in the state of Louisiana and will support fifty thousand
3 jobs; and

4 WHEREAS, fourteen liquefied natural gas production facilities have been proposed
5 in the state of Louisiana with a total announced investment of over 64 billion dollars,
6 including the first two fully permitted export facilities in the lower forty-eight states, which
7 are currently under construction in Cameron Parish; and

8 WHEREAS, liquefied natural gas exports could provide incentives for new
9 infrastructure investments worth billions of dollars and generate royalties and local tax
10 revenues in communities across the state of Louisiana; and

11 WHEREAS, a diverse coalition of Louisiana LNG producers, energy and petroleum
12 companies, business groups, service companies, and others have expressed their support for
13 LNG exports.

14 THEREFORE, BE IT RESOLVED that the Legislature of Louisiana does hereby
15 recognize Wednesday, May 13, 2015, as the third annual Liquefied Natural Gas Day at the
16 state capitol and does hereby express support for the efforts of "Our Energy Movement", a
17 nonprofit, grassroots organization with the mission of supporting the exports of natural gas
18 and educating the public and policy leaders on the benefits that LNG exports will bring to
19 the United States.

20 BE IT FURTHER RESOLVED that a suitable copy of this Resolution be transmitted
21 to members of the United States Congress as an expression of the Legislature of Louisiana's
22 support of liquefied natural gas exports and the streamlining and expediting of permit
23 approval for pending export facilities so that the economic benefits of LNG exports can be
24 magnified throughout the state of Louisiana as well as the United States.
