REVENUE EXPLANATION

The bill will increase self-generated fees at the Department of Economic Development (LED) by approximately \$1.9 M per year in Fiscal Year 2015-16 and thereafter. LED anticipates collecting the following amounts per year for each of the following fees proposed in the bill:

1. Advance Notification Fee	\$199,250
2. Filing Application Fee	\$3,673,253
3. Affidavit of Final Cost Fee	\$206,250
4. Project Completion Report Fee	\$163,500
5. Annual Certification Report Fee	\$42,750
6. Employee Certification Report Fee	\$92,500
7. Annual Compliance Report Fee	\$1,000
8. Contract Charges Fee	\$64,250
9. Contract Renewal Fee	\$144,750
Total Proposed Fees	\$4,587,503
<i>Elimination of Existing Fees</i>	<i>(\$2,675,256)</i>
Net Increase in Fees	\$1,912,247

The bill includes a fee for a statutorily required verification report that shall not exceed the actual cost to LED based on hours expended at a rate not exceeding \$250 an hour for department-contracted services or salary and benefits for department employee services. The "statutorily required verification report" refers to legislation proposed in HB 604 of 2015 authorizing LED to impose and collect verification report fees to pay costs associated with CPAs and attorneys engaged and assigned by LED to provide independent verification of tax credit cost reports for the following tax credit programs: motion picture investor, digital interactive media/software, sound recording investor, musical/theatrical production income, and research and development tax credit. LED estimates that these fees will generate approximately \$4.76M per year. However, these fees are not included in the amounts associated with this bill because they are contingent upon passage of HB 604.
