AN ACT

To amend and reenact R.S. 34:3523(A)(2) and (J), relative to design-build contracts for ports; to extend the time for ports to utilize the design-build method on certain construction projects; and to provide for related matters.

Be it enacted by the Legislature of Louisiana:

Section 1. R.S. 34:3523(A)(2) and (J) are hereby amended and reenacted to read as follows:

§3523. Design-build contracts; pilot program for ports

A.(1) * * *

(2) A port may utilize this method on projects funded by any manner for any port project that a notice of intent is advertised for in accordance with this Section prior to December 31, ~~2015~~ 2020.

* * *

J. This Section shall have no effect on projects for which a port authority has not issued an advertisement of a notice of intent as provided by Subsection C of this Section by December 31, ~~2015~~ 2020.

The original instrument and the following digest, which constitutes no part of the legislative instrument, were prepared by Sharon F. Lyles.

SB 66 Engrossed

DIGEST
2015 Regular Session

Gary Smith

Present law authorizes any port to utilize the design-build method on certain port construction projects pursuant to a pilot program when the notice of intent for the project is advertised prior to December 31, 2015.

Proposed law extends the time for any port to utilize the design-build method pilot program for five years from December 31, 2015 to December 31, 2020.

Effective August 1, 2015.

Amends R.S. 34:3523(A)(2) and (J)
