Authorizes certain additional tax increment finance authority for certain Tax Increment Development Corporations. (gov sig)

Purpose of Bill: This measure defines a tax increment development corporation (TID) in Richwood to be an issuer and local government subdivision for purposes of using tax increment financing (TIF) authority. The measure grants ad valorem tax and sales tax increment authority to the TID as well as ad valorem, sales, and occupancy tax levy authority. The TID can undertake an "economic development project" in addition to a tax increment community development project. The TID can restrict the authority to a geographically defined area of the town. Financing may include loans, mortgages, bonds, or certificates of indebtedness. The TID shall not dissolve or cease to exist until one year after the date all bonds, notes, and other evidences of indebtedness are paid in full (but shall have an existence of at least three years).

Table with columns: EXPENDITURES, REVENUES, 2015-16, 2016-17, 2017-18, 2018-19, 2019-20, 5-YEAR TOTAL. Rows include State Gen. Fd., Agy. Self-Gen., Ded./Other, Federal Funds, Local Funds, and Annual Total.

EXPENDITURE EXPLANATION

There may be an increase in local fund expenditures as a result of this measure.

An official in the Town of Richwood provided that there are plans for an economic development project that will include retail establishments within the Town of Richwood. There are no estimates of the expenditures for this project at this time.

REVENUE EXPLANATION

There may be an increase in local fund revenues as a result of this measure.

The TID could raise local revenue, to the extent it exercises its authority to levy a tax. Until revenues are determined, the level of baseline tax collections within the TID's boundaries and any potential further increments (growth) that will be dedicated by this bill are not specifically known.

An official with the Town of Richwood informed us that there are plans for a commercial retail development that would be considered an economic development project, however they have no details of the potential fiscal impact at this time. The official informed us that they do not anticipate participation of the state sales tax.
