AN ACT

To enact Part III of Chapter 43 of Title 17 of the Louisiana Revised Statutes of 1950, to be comprised of R.S. 17:4033, relative to school choice; to create and provide for the School Choice Loan Fund; to provide for qualifications and criteria for eligibility for such loans; to provide for the adoption of rules to govern the issuance, use, and repayment of such loans; and to provide for related matters.

Be it enacted by the Legislature of Louisiana:

Section 1. Part III of Chapter 43 of Title 17 of the Louisiana Revised Statutes of 1950, comprised of R.S. 17:4033, is hereby enacted to read as follows:

PART III. SCHOOL CHOICE LOAN FUND

§4033. School Choice Loan Fund; creation; purpose; eligibility; criteria; rules

A. The School Choice Loan Fund, hereafter referred to as the "fund", is hereby created within the state treasury for the purpose of providing a source for funding low-interest loans to assist schools with funding to start a new school or expand an existing school.

B. All monies appropriated to the fund and any grants, other donations, or other sources of financial assistance directed to the fund shall be deposited

1 into the fund. Monies in the fund shall be subject to appropriation by the
2 legislature and shall be appropriated to the State Board of Elementary and
3 Secondary Education for allocation by the board as low-interest loans for the
4 purposes provided in this Section. All unexpended and unencumbered monies
5 remaining in the fund at the end of each fiscal year shall remain in the fund.
6 The monies in the fund shall be invested by the state treasurer in accordance
7 with state law, and interest earned on the investment of these monies shall be
8 credited to the fund, after compliance with the requirements of Article VII,
9 Section 9(B) of the Constitution of Louisiana, relative to the Bond Security and
10 Redemption Fund.

11 C.(1) The State Board of Elementary and Secondary Education shall
12 administer the use of the monies appropriated from the fund and, with the
13 guidance of the Louisiana Office of Financial Institutions, shall adopt rules
14 governing a loan application and approval process in accordance with the
15 Administrative Procedure Act. The adopted rules shall include, at a minimum,
16 policies regarding credit, collateral, closing, interest rate, terms, repayment, and
17 the collection process. The rules shall ensure that unless appropriate collateral
18 has been secured, any loan funds received may only be used to purchase
19 equipment or other items which shall become the property of the state if the
20 loan is not fully repaid. The rules shall provide that the state board shall be
21 given superior lien status above any other lien or privilege held against the
22 collateral, or shall provide collateral with no other lien or privilege held against
23 it, and shall provide that all loans shall have a maximum loan-to-value ratio of
24 eighty percent. The rules shall provide that a loan applicant shall provide all
25 financial documentation required by the state board to prove the financial
26 soundness of the applicant, including cash flow projections, current and future
27 projected liabilities, and financial statements. The rules shall provide that loan
28 funding appropriated by the legislature be prioritized to fund applications from
29 public schools or public school districts, while funding from nonpublic sources

1 be prioritized to fund applications from nonpublic schools. The rules shall also
 2 provide that loan funding may only be used for program-related administrative
 3 and legal costs and to purchase tangible items such as equipment, technology,
 4 instructional materials, and facility acquisition, construction, renovation, and
 5 repairs. Such equipment, property, or other items shall become the property of
 6 the state if the loan is not fully repaid. The state board may reject any request
 7 for loan funding which does not comply with the terms of this Part.

8 (2) Loans shall not exceed one hundred thousand dollars and shall be
 9 used only to pay for school start-up or expansion expenses as provided in this
 10 Part and state board rule. No money loaned as provided in this Part may be
 11 used to pay prior debts of the organization, corporation, or other legal entity
 12 which owns, operates, or has any other legal authority over the school, any of
 13 the natural persons principally involved in the administration or operation of
 14 the school, or any former or current business or nonprofit venture of any
 15 natural persons for any purchase not related to the school, or to pay to members
 16 of the immediate family of any natural persons, or to make any investments.

17 Section 2. This Act shall become effective upon signature by the governor or, if not
 18 signed by the governor, upon expiration of the time for bills to become law without signature
 19 by the governor, as provided by Article III, Section 18 of the Constitution of Louisiana. If
 20 vetoed by the governor and subsequently approved by the legislature, this Act shall become
 21 effective on the day following such approval.
