AN ACT

To enact R.S. 38:90.4(A)(1)(j), relative to the Statewide Flood-Control Program; to provide
for information to be included in applications for funding of any flood-control
projects; and to provide for related matters.

Be it enacted by the Legislature of Louisiana:

Section 1. R.S. 38:90.4(A)(1)(j) is hereby enacted to read as follows:

§90.4. Methodology for flood-control project evaluation

A.(1) Applications for funding of any flood-control projects under the
Statewide Flood Control Program may be submitted by any duly authorized
municipal, parish, or other governing authority. Applications shall be made to the
office of engineering by October first of each year, for consideration of funding in
the following fiscal year. Applications submitted in accordance with the provisions
of this Chapter shall not be subject to the provisions of R.S. 39:101. Sponsoring
authorities with a population of fifty thousand persons or more shall be responsible
for the preparation of applications for their respective projects. For sponsoring
authorities with a population of less than fifty thousand persons, the office shall
prepare the applications for the projects, or the sponsoring authority may prepare its
application in the event the office cannot accomplish required engineering services
in a timely manner. Information to be provided in the application shall include but
not be limited to the following:
