DIGEST

Present law, provides that members of the armed forces stationed in La. on active duty and their dependents shall be entitled to resident classification for tuition amount purposes at public postsecondary education institutions, without regard to length of time of residency in the state.

Proposed law retains present law.

Present law provides that a student who is enrolled in or is applying for enrollment in a La. public college or university, who resides in La. during such enrollment, who has served in the U.S. Armed Forces as defined by federal law (10 U.S.C. 101(a)(4)), and who meets certain other eligibility requirements, is entitled to resident classification for tuition amount purposes, without regard to length of time of residency in the state. Further provides that present law does not apply to tuition charged to a veteran eligible for benefits under the Yellow Ribbon Program (Title 38 U.S.C., Chapter 33).

Present law further specifies that in addition to its other provisions, the student must meet at least one of the following conditions:
