

HOUSE SUMMARY OF SENATE AMENDMENTS

HCR 161

2015 Regular Session

Badon

COLLEGES/UNIVERSITIES: Requests public universities to offer all bachelor's degree programs online

Synopsis of Senate Amendments

1. Amendments are generally technical; they add public colleges to institutions requested to offer bachelor's degrees through online courses though currently there are no La. public colleges offering bachelor's degrees.

Digest of Bill as Finally Passed by Senate

Requests public universities to continue to develop and offer online courses such that all bachelor's degrees can be completed entirely online.
