HOUSE SUMMARY OF SENATE AMENDMENTS

HB 320   **2015 Regular Session**   **Woodruff**

STUDENTS: Provides relative to dropout prevention and recovery

---

Synopsis of Senate Amendments

1.   Makes technical changes.

Digest of Bill as Finally Passed by Senate

Present law requires minors who withdraw from school prior to high school graduation, within 120 days of leaving, to either reenroll in school and make progress toward completing graduation requirements, enroll in a high school equivalency diploma program and make progress toward completing program requirements, or enlist in the La. National Guard or the U.S. Armed Forces, with a commitment for at least two years of service, and earn a high school equivalency diploma during the service period. Proposed law exempts minors participating in a dropout recovery program from this requirement.

Present law allows each school district and charter school that provides instruction to high school students to offer a dropout recovery program. Proposed law adds that such districts and schools should maximize the use of federal Title 1 funds and at-risk funds provided through the minimum foundation program (MFP) formula to establish such programs.

Present law requires that a student enrolled in such a program be included in the student enrollment count for the school or school district offering the program. Proposed law adds that such students shall be recorded on a monthly basis as program participants.

Present law requires monthly reporting by schools and school systems to the state Dept. of Education and specifies information to be included in the reports. Proposed law requires that such information be recorded monthly rather than reported to DOE monthly.

Proposed law retains present law with respect to other provisions of the dropout recovery program and clarifies certain terms.

(Amends R.S. 17:221.4(A) and (C)(intro. para.) and 221.6(A), (E)(intro. para.), and (I)(intro. para.); Adds R.S. 17:221.6(I)(4))
