

## RÉSUMÉ DIGEST

**ACT 239 (SB 28)**

**2015 Regular Session**

**Brown**

New law requires each public school governing authority to actively promote and provide information to students and parents on how to access the after-school online homework assistance services offered through the State Library of Louisiana (library) and their local public library. Further provides that the appropriate link provided by the library shall be included in each school's student handbook and be posted on the home page of the website of each public school governing authority and each public school that has a website.

New law requires each public school to post the information required by new law in a prominent location visible to all students on a daily basis.

New law requires the state Dept. of Education to collaborate with the library to align and promote its after-school homework assistance services and programs related to elementary and secondary education.

Effective upon signature of the governor (June 29, 2015).
