**DIGEST OF THE SENATE BILL AS RETURNED TO THE SENATE**

SB 33 Engrossed

2015 Regular Session

Walsworth

Present law places the office of telecommunications management (OTM) within the division of administration (DOA).

Proposed law merges OTM with the office of technology services (OTS) under the supervision and control of the state chief information officer.

Present law places the uniform consolidated mailroom for all state agencies under the control of DOA and the commissioner of administration.

Proposed law moves uniform consolidated mailroom operations to OTS and control to the state chief information officer.

Proposed law exclude public postsecondary institutions of education, their management boards, and the Board of Regents unless the state chief information officer can verify that inclusion per contracted service would result in savings to the institution or board.

Present law requires the executive branch purchase all requirements of printing and engraving from a central purchasing agency with the chief procurement officer having authority.

Proposed law designates OTS as the vendor for all printing and engraving purchases made by the executive branch with the chief information officer having authority.

Effective August 1, 2015.

(Amends R.S. 39:140, 141(B), and 245 and R.S. 43:1; repeals R.S. 49:205)
