2015 Regular Session

HOUSE BILL NO. 1

BY REPRESENTATIVE FANNIN

1 AN ACT

2 Making annual appropriations for Fiscal Year 2015-2016 for the ordinary expenses of the  
3 executive branch of state government, pensions, public schools, public roads, public  
4 charities, and state institutions and providing with respect to the expenditure of said  
5 appropriations.

6 Be it enacted by the Legislature of Louisiana:

7 Section 1. The appropriations in this Act from state revenue shall be payable out of the  
8 sources specified and shall be limited by the provisions of Article VII, Section 10(D) of the  
9 Louisiana Constitution.

10 Section 2. All money from federal, interagency, statutory dedications, or self-generated  
11 revenues shall be available for expenditure in the amounts herein appropriated. Any increase  
12 in such revenues shall be available for allotment and expenditure by an agency on approval  
13 of an increase in the appropriation by the commissioner of administration and the Joint  
14 Legislative Committee on the Budget. Any increase in such revenues for an agency without  
15 an appropriation from the respective revenue source shall be incorporated into the agency's  
16 appropriation on approval of the commissioner of administration and the Joint Legislative  
17 Committee on the Budget. In the event that these revenues should be less than the amount  
18 appropriated, the appropriation shall be reduced accordingly. To the extent that such funds  
19 were included in the budget on a matching basis with state funds, a corresponding decrease  
20 in the state matching funds may be made. Any federal funds which are classified as disaster  
21 or emergency may be expended prior to approval of a BA-7 by the Joint Legislative

1 Committee on the Budget upon the secretary's certifying to the governor that any delay  
2 would be detrimental to the state. The Joint Legislative Committee on the Budget shall be  
3 notified in writing of such declaration and shall meet to consider such action, but if it is  
4 found by the committee that such funds were not needed for an emergency expenditure, such  
5 approval may be withdrawn and any balance remaining shall not be expended.

6 Section 3.A. Notwithstanding any other law to the contrary, the functions of any  
7 department, agency, program, or budget unit of the executive branch, except functions in  
8 departments, agencies, programs, or budget units of other statewide elected officials, may  
9 be transferred to a different department, agency, program, or budget unit for the purpose of  
10 economizing the operations of state government by executive order of the governor.  
11 Provided, however, that each such transfer must, prior to implementation, be approved by  
12 the commissioner of administration and Joint Legislative Committee on the Budget. Further,  
13 provided that no transfers pursuant to this Section shall violate the provisions of Title 36,  
14 Organization of the Executive Branch of State Government.

15 B. In the event that any agency, budget unit, program, or function of a department is  
16 transferred to any other department, agency, program, or budget unit by other Act or Acts  
17 of the legislature, the commissioner of administration shall make the necessary adjustments  
18 to appropriations through the notification of appropriation process, or through approval of  
19 mid-year adjustments. All such adjustments shall be in strict conformity with the provisions  
20 of the Act or Acts which provide for the transfers.

21 C. Notwithstanding any other law to the contrary and before the commissioner of  
22 administration shall authorize the purchase of any luxury or full-size motor vehicle for  
23 personal assignment by a statewide elected official other than the governor and lieutenant  
24 governor, such official shall first submit the request to the Joint Legislative Committee on  
25 the Budget for approval. "Luxury or full-sized motor vehicle" shall mean or refer to such  
26 vehicles as defined or used in rules or guidelines promulgated and implemented by the  
27 Division of Administration.

28 D. Notwithstanding any provision of law to the contrary, each agency which has  
29 contracted with outside legal counsel for representation in an action against another agency,  
30 shall submit a detailed report of all litigation costs incurred and payable to the outside

1 counsel to the commissioner of administration, the legislative committee charged with  
2 oversight of that agency, and the Joint Legislative Committee on the Budget. The report  
3 shall be submitted on a quarterly basis, each January, April, July, and October, and shall  
4 include all litigation costs paid and payable during the prior quarter. For purposes of this  
5 Subsection, the term "litigation expenses" shall mean court costs and attorney fees of the  
6 agency and of the other party if the agency was required to pay such costs and fees. The  
7 commissioner of administration shall not authorize any payments for any such contract until  
8 such report for the prior quarter has been submitted.

9 E. Notwithstanding any provision of law to the contrary, each agency may use a portion  
10 of its appropriations contained in this Act for the expenditure of funds for salaries and  
11 related benefits for smoking cessation wellness programs, including pharmacotherapy and  
12 behavioral counseling for state employees of the agency.

13 Section 4. Each schedule as designated by a five-digit number code for which an  
14 appropriation is made in this Act is hereby declared to be a budget unit of the state.

15 Section 5.A. The program descriptions, account descriptions, general performance  
16 information, and the role, scope, and mission statements of postsecondary education  
17 institutions contained in this Act are not part of the law and are not enacted into law by  
18 virtue of their inclusion in this Act.

19 B. The discretionary and nondiscretionary allocations contained in this Act are provided  
20 in accordance with R.S. 39:51(A)(3) and are to provide information to assist in legislative  
21 decision making and shall not be construed to limit the expenditures or means of financing  
22 of an agency, budget unit, or department to the discretionary or nondiscretionary amounts  
23 contained in this Act.

24 C. The expenditure category allocations contained in this Act are provided in accordance  
25 with R.S. 39:51(C) and are to provide information to assist in legislative decision making  
26 and shall not be construed to limit the expenditures or means of financing of an agency,  
27 budget unit, or department to the expenditure category amounts contained in this Act.

28 Section 6.A. Unless expressly provided in this Act, funds cannot be transferred between  
29 departments or schedules receiving appropriations. However, any unencumbered funds  
30 which accrue to an appropriation within a department or schedule of this Act due to policy,

1 programmatic, or cost-saving/avoidance measures may, upon approval by the commissioner  
2 of administration and the Joint Legislative Committee on the Budget, be transferred to any  
3 other appropriation within that same department or schedule. Each request for the transfer  
4 of funds pursuant to this Section shall include full written justification. The commissioner  
5 of administration, upon approval by the Joint Legislative Committee on the Budget, shall  
6 have the authority to transfer between departments funds associated with lease agreements  
7 between the state and the Office Facilities Corporation.

8 B. In conjunction with the continuing assessment of the existing staff, assets, contracts,  
9 and facilities of each department, agency, program or budget unit's information technology  
10 resources, procurement resources, and human capital resources, upon completion of this  
11 assessment and to the extent optimization of these resources will result in the projected cost  
12 savings through staff reductions, realization of operational efficiencies, cost avoidance, and

**SCHEDULE 09**

**DEPARTMENT OF HEALTH AND HOSPITALS**

For Fiscal Year 2015-2016, cash generated by each budget unit within Schedule 09 may be pooled with any other budget unit within Schedule 09 to avoid a cash deficit. No budget unit may expend more revenues than are appropriated to it in this Act except upon the approval of the Division of Administration and the Joint Legislative Committee on the Budget, or as may otherwise be provided for by law.

Notwithstanding any law to the contrary and in the event the Louisiana State University Board of Supervisors notifies the Joint Legislative Committee on the Budget of a material change in any Public Private Partnership Cooperative Endeavor Agreement arrangement governing the operation or provision of services of a hospital formerly operated under the auspices of the Louisiana State University Board of Supervisors, the Joint Legislative Committee on the Budget shall, at its next meeting after receiving such notice, meet to review and approve any adjustments to the appropriation in Medical Vendor Payments for payments to such partner as necessary to protect the public purpose intended to be served under the Cooperative Endeavor Agreement. At this meeting, the secretary shall provide the committee with a report on the payments made and still scheduled to be made to such partner.

Notwithstanding any provision of law to the contrary, the department shall purchase medical services for consumers in the most cost effective manner. The secretary is directed to utilize various cost containment measures to ensure expenditures remain at the level appropriated in this Schedule, including but not limited to precertification, preadmission screening, diversion, fraud control, utilization review and management, prior authorization, service limitations, drug therapy management, disease management, cost sharing, and other measures as permitted under federal law.

The department shall submit a plan detailing the programmatic allocations of appropriations for the Medical Vendor Program in this Act to the Joint Legislative Committee on the Budget for its review no later than October 1, 2015, and monthly thereafter. The report shall present a detailed account of actual Medical Vendor Program expenditures for Fiscal Year 2014-2015.

Notwithstanding any law to the contrary and specifically R.S. 39:82(E), for Fiscal Year 2015-2016 any over-collected funds, including interagency transfers, fees and self-generated revenues, federal funds, and surplus statutory dedicated funds generated and collected by any agency in Schedule 09 for Fiscal Year 2014-2015 may be carried forward and expended in Fiscal Year 2015-2016 in the Medical Vendor Program. Revenues from refunds and recoveries in the Medical Vendor Program are authorized to be expended in Fiscal Year 2015-2016. No such carried forward funds, which are in excess of those appropriated in this

1 Act, may be expended without the express approval of the Division of Administration and  
2 the Joint Legislative Committee on the Budget.

3 Notwithstanding any law to the contrary, the secretary of the Department of Health and  
4 Hospitals may transfer, with the approval of the commissioner of administration via midyear  
5 budget adjustment (BA-7 Form), up to twenty-five (25) authorized positions and associated  
6 personal services funding if necessary from one budget unit to any other budget unit and/or  
7 between programs within any budget unit within this schedule. Not more than an aggregate  
8 of one-hundred (100) positions and associated personal services may be transferred between  
9 budget units and/or programs within a budget unit without the approval of the Joint  
10 Legislative Committee on the Budget.

11 Notwithstanding any provision of law to the contrary, the secretary of the Department of  
12 Health and Hospitals is authorized to transfer, with the approval of the commissioner of  
13 administration through midyear budget adjustments, funds and authorized positions from one  
14 budget unit to any other budget unit and/or between programs within any budget unit within  
15 this schedule. Such transfers shall be made solely to provide for the effective delivery of  
16 services by the department, promote efficiencies and enhance the cost effective delivery of  
17 services. Not more than 75 authorized positions in the aggregate, together with personnel  
18 costs, and other funds not to exceed six million dollars may be transferred pursuant to this  
19 authority. The secretary and the commissioner shall promptly notify the Joint Legislative  
20 Committee on the Budget of any such transfer.

21 In the event this Act provides for increases or decreases in funds for agencies within  
22 Schedule 09 that would impact services provided by 09-300 (Jefferson Parish Human  
23 Services Authority), 09-301 (Florida Parishes Human Services Authority), 09-302 (Capital  
24 Area Human Services District), 09-304 (Metropolitan Human Services District), 09-309  
25 (South Central Louisiana Human Services Authority), 09-310 (Northeast Delta Human  
26 Services Authority), 09-325 (Acadiana Area Human Services District), 09-375 (Imperial  
27 Calcasieu Human Services Authority), 09-376 (Central La. Human Services District), and  
28 09-377 (Northwest La. Human Services District), the commissioner of administration is  
29 authorized to transfer funds on a pro rata basis within the budget units contained in Schedule  
30 09 in order to effect such changes. The commissioner shall provide written documentation  
31 of all such transfers approved after the initial notifications of the appropriation to the Joint  
32 Legislative Committee on the Budget.

33 Notwithstanding any provision of law to the contrary, the department shall not be under any  
34 obligation to perform any of the services as described in R.S. 46:2116, et seq., and may  
35 utilize other revenue sources to provide these services. Provided, further, that any additional  
36 funding for state plan personal assistance services may be used as state match for available  
37 federal funds.
