Provides relative to the collection and sharing of certain student information

Proposed legislation provides for revisions to current law relative to the collection and sharing of certain student information. Extends the effective date to August 1, 2015 for the prohibition of disclosure to certain individuals and the implementation of the Unique Identification Number (UID) by the Department of Education (DOE). Allows for information sharing for the purpose of completing, correcting or responding to financial audits. Provides for access to data by public school employee in accordance with local school board policies adopted for such purposes. Provides for the continuation of parental consent unless such consent is withdrawn in writing. Requires DOE and public school governing authorities to make public information to increase awareness of the transfer of student information. Nothing shall prohibit a person employed in a public school or other person authorized by the superintendent from being provided or having access to student data in accordance with a policy adopted by the local school board for such purpose.
