## **RÉSUMÉ DIGEST**

## ACT 392 (HB 320)

## 2015 Regular Session

## Woodruff

<u>Existing law</u> requires minors who withdraw from school prior to high school graduation, within 120 days of leaving, to either reenroll in school and make progress toward completing graduation requirements, enroll in a high school equivalency diploma program and make progress toward completing program requirements, or enlist in the La. National Guard or the U.S. Armed Forces, with a commitment for at least two years of service, and earn a high school equivalency diploma during the service period. <u>New law</u> exempts minors participating in a dropout recovery program from this requirement.

<u>Existing law</u> allows each school district and charter school that provides instruction to high school students to offer a dropout recovery program. <u>New law</u> adds that such districts and schools should maximize the use of federal Title 1 funds and at-risk funds provided through the minimum foundation program (MFP) formula to establish such programs.

<u>Existing law</u> requires that a student enrolled in such a program be included in the student enrollment count for the school or school district. <u>New law</u> adds that such students also shall be recorded on a monthly basis as program participants.

Existing law requires schools and school systems to take monthly action relative to students who meet the following criteria:

- (1) Have an individual graduation plan on file on or before the first school day of the month.
- (2) Met the expectations for satisfactory monthly progress for the month.
- (3) Did not meet the expectations for satisfactory monthly progress for the month but did meet the expectations one of the two previous months.
- (4) Met expectations for program reentry in the revised individual graduation plan in the previous month.

<u>Prior law</u> required that schools and school systems report to the state Dept. of Education (DOE) relative to these students each month. <u>New law</u> deletes the reporting requirement and instead requires schools and school systems to record monthly the students who meet these criteria.

Effective August 1, 2015.

(Amends R.S. 17:221.4(A) and (C)(intro. para.) and 221.6(A), (E)(intro. para.), and (I)(intro. para.); Adds R.S. 17:221.6(I)(4))
