HB 128 Original

2016 Regular Session

Terry Brown

Abstract: Changes the eligibility requirements for a commissioned police officer special prestige license plate.

Present law requires the secretary of the Dept. of Public Safety and Corrections to design and establish a special prestige license plate for commissioned police officers, provided there is a minimum of 1,000 applicants for such plate.

Proposed law adds that the special prestige plate shall be for active commissioned police officers.

Present law requires each person who applies for the issuance or renewal of the prestige license plate shall present to the secretary proof of prior or active commission in a law enforcement agency for at least two consecutive years.

Proposed law requires the following to be submitted to the secretary in order to qualify for the plate:

- (1) A statement on letterhead from the chief official of the employing law enforcement agency stating that the applicant has an active commission in that law enforcement agency at the time of application and has held such commission for at least two consecutive years.
- (2) Proof of Police Officer Standards Training completion.
